

International Semester in Commerce

30 ECTS - 100% in English - Spring Semester

The International Semester in Commerce offers a full 30 ECTS credit programme in Valladolid, taught entirely in English. You will share classes with students from all over the world, improve your academic English and approach commerce, economics, sociology and many other areas from a global perspective.

Courses offered in 2026-2027

Courses cover a wide range of topics related to Business, International Relations, Sociology, Economics and Management, among others. You can choose from a list of courses at Bachelor's and Master's level, all of which are taught in English.

Code	Course	ECTS
75016	Consumer behaviour	6
75073	Cultural economics	3
75017	HR and sales force management	6
41009	International trade	6
70751	Rhetorical techniques	6
54804	International tax system*	3
54808	Management of executives and expatriates*	3
54821	New Western approaches to the study of Far Eastern Cultures*	3
55731	Organisational cultures in Asia*	6
55732	Power, negotiation and mediation*	3

* These courses are also part of **Master's level** programmes at the faculty. Even if you are a Bachelor's level student, we encourage you to enrol, as lecturers can help adapt the content to your level and it can prove to be an enriching experience.

Join an international programme in the vibrant heart of Spain!

Valladolid is a city where history, culture and gastronomy come together. With its charming streets and impressive Renaissance heritage, and just two hours from Madrid or Salamanca, it is the perfect place for an unforgettable academic experience.

It is also a welcoming, walkable and affordable city with a large student population, lively tapas bars and a rich cultural calendar. During your stay you can enjoy its internationally renowned Holy Week celebrations, explore the nearby wine regions of Ribera del Duero and Rueda, and discover a city with a deep literary tradition.

The University of Valladolid, with over seven centuries of academic history, offers a multidisciplinary education in a close-knit environment. Our Faculty draws on more than 120 years of teaching and research innovation, closely tied to the economic and social life of the region, and today offers its degrees on two campuses, in Valladolid and Palencia.
